

My request for information to share with guild members hasn't been terribly fruitful in the last week, so here is the supplement for what it is worth. Hopefully, everyone is busy working on their fiber projects this summer! - Julie

How do YOU think the Whatcom Weaving Guild should represent the ANWG 2009 theme of "Weaving Waves of Color?"

Come brainstorm with us on Tuesday, August 5, at 2 p.m. in the Security First Building at 2900 Meridian St, located at the North corner of Meridian & Illinois, across from the Fountain Haggen's on Meridian.

Brainstorming a concept doesn't mean that you are committing yourself to weaving something for the booth; it just means that you are helping to provide us with an approach that we can present to the Guild membership in September.

If you don't have time to join us BUT have an idea or two, no matter how off the wall, please send a message to Gloria Lebowitz ([glolebow@yahoo.com](mailto:glolebow@yahoo.com)) or call 676-1917.

Here's how the Spokane Guild has described the theme:

Our colors are **Primary and Secondary**

**Red** represent the old red barns that dot the landscape in Eastern Washington, **Yellow** for the fields of waving grain, **Blue** for the swift running rivers, the peaceful lakes and the clear blue sky, **Orange** for the wild flowers, **Green** for the majestic conifers, and **Purple** represents the lilac.

**Spokane is known as the Lilac City**

**Scholarship to attend ANWG - 2009:  
Conference Year Scholarships**

ANWG is offering ten scholarships for "Weaving Waves of Color" to be held in Spokane, WA in 2009. A conference scholarship will equal the conference fee (not including a post-conference workshop) to a maximum of \$400.

The criteria could include: holding a Guild office, helping with workshops, helping with Guild library and/ or public instruction or demonstration of weaving. This is what holds a Guild together.
