

# Stehekin Spinning Rendezvous Revival

## June 7, 8, and 9, 2019

Join us for the revival of the Stehekin Spinning Rendezvous!

### Three ways to play:

1. Join the sheep-to-shawl spinners. Dyed roving will be provided for a shawl. All shawl participants will have their names in a drawing for a chance to win the finished shawl.
2. Free spinning. Bring your own projects and spin, spin, spin! It is possible we may have spinning-fiber vendors. (We are still working on this.) If you are interested in being a vendor, please email Molly Gerhard at [mollygerhard@gmail.com](mailto:mollygerhard@gmail.com)
3. Bring your show and tell to inspire others.

Registration is \$5 payable at the Rendezvous.

In addition to spinning, there are hiking trails, nature walks, and ample opportunities for other mountain and lake recreation pursuits.

### Accommodations and travel:
